

Boulder Canyon County Club has been working diligently over the last few years to improve our club for its membership. Our biggest improvement is our new back nine which is now open and adding to the enjoyment for our membership. While these improvements do come with an added cost for the club, BCCC has been and still is committed to providing the most accessible and affordable golfing membership in the Black Hills. We work diligently as a club to keep our rates as reasonable as possible for our members. In keeping with that commitment this year we have decided to offer some new options that we hope will help both our current and new members continue to enjoy Boulder Canyon County Club in 2020

Our first option is members (current and new) can now pay for their membership over the course of 12 months at no additional charge. Any current or new member can have the cost of their membership including any additional add on's divided equally into 12 monthly payments through the use of a credit card payment each month.

In addition we are also adding a lifetime membership option. This is available to anyone over the age of 65, and allows them to purchase in one lump sum a membership that they can use for the remainder of their golfing days. This gives them lifetime access to the club and eliminates having to renew their membership each year. This option will be available to the first 10 members this year.

As an added incentive for anyone who either renews or starts a new membership by Oct. 31<sup>st</sup> of 2019 (includes any member on a payment option and makes their first initial payment). That member will receive 4 free quest passes valid from now until Nov. 1<sup>st</sup> of 2020. Additionally, any member current or new who refers another new member and that member puts your name down as a referral, will receive a \$40 gift card to the club house pro shop. No limit on how many cards can be earned.

Boulder Canyon Country Club believes anyone who enjoys golf should have access to a quality course at an affordable rate. So, we encourage you to take advantage of renewing your membership or becoming a new member today.

Thank you for your patronage and we look forward to see you all again in 2020.
